In the matter of:

Tuscola County Democratic Committee
(Committee ID: _____)
and Kathy Gierman, Treasurer

MUR 6/70

COMPLAINT

NOW COMES Jeff Timmer of 520 Seymour Avenue, Lansing, Michigan 48933, and hereby files this Complaint pursuant to 2 U.S.C. 437g(a)(1) and 11 C.F.R. § 111.4 against the Tuscola County Democratic Committee, Kathy Gierman, Treasurer (hereinafter referred to as the "Committee"), and states the following:

1. The Committee is responsible for the day-to-day operation of the Democratic Party for the County of Tuscola, State of Michigan and is a local party organization pursuant to 11 C.F.R. § 100.14(b).
2. In calendar year 2008, Barack Obama was a candidate for President of the United States; Joseph Biden was a candidate for Vice President of the United States; Carl Levin was a candidate for the United States Senate of the State of Michigan; and Dale Kildee was a candidate for the United States House of Representatives for the 5th District of the State of Michigan.
3. According to 11 C.F.R. § 100.5(c), a local party organization becomes a political committee when, during a calendar year, it "spends more than \$1,000 in contributions and other expenditures." Page 1 of Campaign Guide for Political Party Committees (August 2007) published by the Federal Election Commission.
4. The Committee is registered as a county political party committee pursuant to the Michigan Campaign Finance Act. As a county political party committee, the Committee files periodic campaign finance reports with the Michigan Department of State. See Exhibit 1 attached hereto for the Committee's address and telephone number, and the Committee Treasurer's address and telephone number.
5. Each campaign finance report filed by the Committee contains the following verification:

"I certify that all reasonable diligence was used in the preparation of this statement and attached schedules (if any) and to the best of my knowledge and belief the contents are true, accurate and complete."

Paid for by Michigan Republican Party with regulated funds.
Not authorized by any candidate or candidate's committee.

6. As indicated by the Committee's own verified campaign finance statements filed with the Michigan Department of State, the Committee made the following direct contributions in connection with federal elections during calendar year 2008:

| Exhibit No. | Date | Candidate | Amount |
|-------------|-----------------|---------------------|-----------------|
| 2 | July 21, 2008 | Kildee for Congress | \$50.00 |
| 2 | July 21, 2008 | Kildee for Congress | \$50.00 |
| 2 | July 21, 2008 | Kildee for Congress | \$50.00 |
| 2 | July 21, 2008 | Kildee for Congress | \$50.00 |
| 2 | July 21, 2008 | Kildee for Congress | \$50.00 |
| 2 | July 21, 2008 | Kildee for Congress | \$50.00 |
| 2 | August 16, 2008 | Kildee for Congress | \$50.00 |
| 2 | August 18, 2008 | Kildee for Congress | \$50.00 |
| | | TOTAL | \$400.00 |

7. As indicated in the Committee's own verified campaign finance statements filed with the Michigan Department of State (see Exhibit 3 attached hereto, pp. 2-5), the Committee spent \$1,830.00 for a public communication which appeared in the "TC Advertiser." As indicated by the Committee's own verified campaign finance statements filed with the Michigan Department of State, and upon information and belief, these public communications referred to Barack Obama, Joe Biden, Carl Levin, and Dale Kildee, and promoted or supported such candidates for Federal office. Consequently, only Federal funds were permitted to be utilized for such public communications as the costs of such public communications may not be allocated between Federal and non-Federal candidates, and the costs of such public communications constitute expenditures under the Federal Election Campaign Act. See 11 C.F.R. § 300.33(c).

8. As indicated in the Committee's own verified campaign finance statements filed with the Michigan Department of State (see Exhibit 3 attached hereto, pp. 5-9), the Committee spent \$261.23 for a public communication which appeared in the "Cass City Chronicle." As indicated by the Committee's own verified campaign finance statements filed with the Michigan Department of State, and upon information and belief, these public communications referred to Barack Obama, Joe Biden, Carl Levin, and Dale Kildee, and promoted or supported such candidates for Federal office. Consequently, only Federal funds were permitted to be utilized for such public communications as the costs of such public communications may not be allocated between Federal and non-Federal candidates, and the costs of such public communications constitute expenditures under the Federal Election Campaign Act. See 11 C.F.R. § 300.33(c).

9. As indicated in the Committee's own verified campaign finance statements filed with the Michigan Department of State (see Exhibit 3 attached hereto, pp. 9-12), the Committee spent \$357.50 for a public communication which appeared in the "Vassar Pioneer Times." As indicated by the Committee's own verified campaign finance statements filed with the Michigan Department of State, and upon information and belief, these public communications referred to Barack Obama, Joe Biden, Carl Levin, and Dale Kildee, and promoted or supported such candidates for Federal office. Consequently, only Federal funds were permitted to be utilized for such public communications as the costs of such public communications may not be allocated

between Federal and non-Federal candidates, and the costs of such public communications constitute expenditures under the Federal Election Campaign Act. See 11 C.F.R. § 300.33(c).

10. Accordingly, during calendar year 2008, the Committee spent more than \$1,000 in contributions and other expenditures in connection with federal elections.

11. As indicated on page 1 of the Campaign Guide for Political Party Committees (August 2007), published by the Federal Election Commission, the Committee had ten (10) days to file with the Federal Election Commission FEC Form 1 and register as a political committee. See 11 C.F.R. § 100.5(c) and 11 C.F.R. § 102.1(d). Thereafter, the Committee was required to comply with the Federal Election Campaign Act and the Federal Election Commission regulations. See, for example, Part 104 of the Federal Election Commission regulations.

12. Upon information and belief, to date, the Committee has failed to register with the Federal Election Commission as a political committee or file any of the required campaign finance reports.

REQUEST FOR RELIEF

Based on the foregoing, the undersigned respectfully requests that the Federal Election Commission investigate this violation and determine that the Committee has violated the Federal Election Campaign Act and the regulations of the Federal Election Commission, as referenced above.

Further, the undersigned respectfully requests that the Federal Election Commission conduct a thorough review of the Committee's records, and the records of Kildee for Congress, in order to determine whether the contributions made to Kildee for Congress were derived from permissible sources pursuant to the Federal Election Campaign Act.

Further, the undersigned respectfully requests that the Federal Election Commission conduct a thorough review of the Committee's records and the records of Kildee for Congress, in order to discover further violations of the Federal Election Campaign Act and the regulations of the Federal Election Commission. Without limiting the generality of the foregoing, the Committee's public communications referenced in this Complaint probably failed to include the appropriate disclaimer in violation of 2 U.S.C. § 441d(a).

Further, the undersigned respectfully requests the Federal Election Commission to assess all appropriate penalties for said violation(s) in accordance with 2 U.S.C. 437g(a)(5)(A), or any other enforcement provisions of the Federal Election Campaign Act.

29044254082

The above statements are true and accurate to the best of my knowledge, information and belief.

Respectfully submitted,

Dated: January 21, 2009

Jeff Timmer
